

SBCE-SCE JOINT RATE COMPARISON

As part of our mutual commitment to better serve customers, Santa Barbara Clean Energy and Southern California Edison (SCE) have come together to provide a comparison of common rates and average monthly charges. Below you will find a representative comparison of our rates and average monthly bills based on customer rate class.

To find your specific electric rate, please scroll down. this information can be found on the detailed page of your bill directly beneath the heading that reads “Details of your new charges.” If you have further questions, please contact Santa Barbara Clean Energy at Sustainability@SantaBarbaraCA.gov or (805) 564-5631, and SCE at sce.com/cca or (800) 974-2356.

Definitions

Generation Rate reflects the cost of producing or purchasing electricity to power your home. This rate will vary depending on your service provider and rate plan.

SCE Delivery Rate is a charge assessed by SCE to deliver electricity to your home. This rate depends on usage.

Surcharges represent the Cost Responsibility Surcharge (CRS) and Franchise Fee (FF) that are applicable to Community Choice Aggregation (CCA) customers. The CRS recovers costs of power purchase commitments that become stranded as a result of CCA initiating service. The FF recovers taxes owed to a city in exchange for allowing SCE to utilize electrical distribution lines throughout the property of the city. SCE acts as the collection agency for the FF surcharge which is levied by cities and counties for all customers.

This comparison is based on billed usage from January 1, 2023, to December 31, 2023, for all applicable SCE service accounts within the jurisdiction of the City of Santa Barbara, SBCE's published rates as of November 1, 2025 and SCE's published rates as of January 1, 2026

RATE KEY

Your Santa Barbara Clean Energy rate schedule may not exactly match your SCE rate, as Santa Barbara Clean Energy offers simplified, consolidated rate options. This will not impact your service, billing, or CARE/FERA status.
